EUROPEAN RESORT

EUROPEAN RESORTS

New York, Spring, 1908. Good byc! We will be at the HOTEL MEURICE, Paris, for some time. Everybody who is anybody now stays there. You know the old hotel was pulled down altogether and the new one was opened last May. They say the old MEURICE was where the nobility and aristocracy stayed when in Paris in the old days, and they are coming back as fast as they can to the new MEURICE. When Mama and I were there in the Spring, the Princess Henry of Battenberg, sister of the King of England, stayed there some time, and the King and Queen of Spain with the Prince of the Asturias also stayed there in October. The Hotel is on the Rue de Rivoli overlooking the Tuileries Gardens. Our windows had such a fine view of the Gardens and clear up the Champs Elysees. The view of Paris from the roof garden is simply grand. I have never seen any other Hotel so quietly elegant in decoration and furnishing, while the RES-TAURANT is said to be the best in Paris, and has become the rendezvous of Fashion. There is nothing in the way of comfort or luxury that one cannot find at the new MEURICE.
